

THE  
SORENSEN  
*Auction*  
and SOIREE!

## Lights, Camera, AUCTION!

March 8th at The Coeur d'Alene Resort

Dear Community Partner,

Thanks to our community partners like you, Sorensen continues to be a dynamic arts-focused public school. In 2018 students participated in dance, juggling, music, theater, African drumming, marimbas, fine arts, chess, Spanish, and took part in daily arts and humanities curriculum and seasonal residencies by local artists.

Our arts integration program is funded solely through our annual auction.

Please consider donating to our auction.

Your donation:

- Ensures that arts-focused education continues at Sorensen Magnet School!
- Is a wonderful opportunity to advertise your business, goods and services to the downtown community!
- Is tax-deductible!

Sincerely,

Sorensen Parent Teacher Organization

and 2019 Sorensen Auction & Soirée Planning Committee
