

A NIGHT OF PURE IMAGINATION

FEBRUARY 28TH AT THE COEUR D'ALENE RESORT

Thanks to our many community partners, Sorensen continues to be a dynamic arts-focused public school. In 2019 students participated in dance, juggling, music, theater, African drumming, marimbas, fine arts, chess, and Spanish, plus much more.

Our arts integration program is funded solely through our annual auction. Please consider donating to our auction.

Your donation:

- Ensures that art focused education continues at Sorensen Magnet School
- Is a wonderful opportunity to advertise your business, goods and services to the downtown community
- Is tax-deductible
